Friday 30 July
The Weird, Wacky and Wild-Life of Australia
Join us on a virtual journey in Australian culture and history...

Howzat! The Aussie relationship to Sport  
Friday 11 June

Join Dr Steve Georgiakis in examining Australian society and culture through the prism of our favourite pastime - sport! From sticky wickets to kicking a torpedo, learn about the importance of this social institution – even during the pandemic.

Australia’s First Peoples: An Introduction  
Friday 25 June

Learn about one of the oldest living cultures on the planet and the important place of First Nations peoples in Australian history until today.

I love a Sunburnt Country: The 'Great' Australian Outdoors  
Friday 16 July

From the Great Dividing Range, to the Great Australian Bight and the Great Sandy Desert - join A/Prof Wayne Cotton on an interactive session on what the fuss is about with our beautiful natural landscape.

The Weird, Wacky and Wild-Life of Australia  
Friday 30 July

You’ve heard about sharks, snakes and spiders, but what about triple vaginas and four-headed penises? Join A/Prof Catherine Herbert to learn about the secret lives of Australia’s unique animals.
