## **GENERAL DEFINITIONS**

Academic path	Two paths are possible: the undergraduate studies and the graduate studies.	
Credit	Represents 45 hours devoted by the student to a course, including when applicable, the personal work as estimated by the University.	
Overall average	Weighted average of all the courses completed for a studies program. It is rounded up to the first decimal to determine the progress in this program, as provided by the University Regulations for Undergraduate and Graduate Studies.	
Semester average	Weighted average of all the courses taken the given semester.	
	Fall (from September 1 <sup>st</sup> to December 31 <sup>st</sup> )	
Semesters	Spring (from January 1 <sup>st</sup> to April 30 <sup>th</sup> )	
	Summer (from May 1 <sup>st</sup> to August 31 <sup>st</sup> )	

## TRANSCRIPT SPECIFIC DEFINITIONS

Contributive credits	Weighted average of all the courses completed at the undergraduate level.		
Cumulative credits	Weighted average of all the courses taken the given semester.		
Grant date	The date on which a degree, diploma or certificate is recommended by the Faculty Council and subsequently conferred by the University Council. The date of the meeting of the University Council only appears on the parchment.		
Average	The total number of credits used to calculate the average.		
Points	Represents the numerical value of the grade multiplied by the number of credits of each course. Used to calculate the weighted average.
