

## MITACS Globalink Research Award - Outbound Student Application package content

---

Please use the latest version of the application package available [here](#).

All application documents must be submitted in English or French. Please number and name the files as follow:

**1. LAST NAME\_Application Form** (may require the latest version of Adobe Reader):

- The Application Form is **not** scanned and must be submitted in its original, fillable format;
- **Sections 6 & 7:** may be submitted as a separate scanned PDF, if digital signatures cannot be obtained;
- **Question 3.2:** the amount of \$6,000 CAD must be indicated on line A. *Stipend*. Line B and C should remain empty.
- In **Section 6.0 Participant Signatures**; when all documents are completed and signed by the others-participants, please send this section to: [adetolle@mitacs.ca](mailto:adetolle@mitacs.ca) to have the signature of the Representative of Canadian university.

**2. LAST NAME\_Research Proposal** (on Mitacs template)

**3. LAST NAME\_CV Student** (on Mitacs template)

**4. LAST NAME\_Letter of Support Canadian Supervisor\*\***

**5. LAST NAME\_Letter of Support International Supervisor\*\***

\*\*Both letters must :

- Be written on university letterhead and be signed by the supervisor;
- Provide the supervisor's title and department;
- Outline supervisory and/or financial support for the intern and project;
- Describe the intern's academic and research qualities, outstanding achievements, and ability to complete the project.

**6. LAST NAME\_CV Host Supervisor** (in English or French, including funding history, publications, and graduate interns supervised).

**11. LAST NAME\_Code of Conduct**

**12. LAST NAME\_International Pre-Departure Form**

**100. LAST NAME\_Ethics certificate** (if required)\*\*\*

\*\*\*As indicated in section 4.0., it is the student's responsibility to obtain appropriate ethics approval for research with human subjects, animals or requiring biohazards review, **prior to the beginning of the research project**, when required by UdeM and/or Mitacs rules. The ethics approval document must clearly indicate the name of the student researcher and Mitacs funding. For more information or to apply for a an ethics approval, contact the relevant [Human Research Ethics Committee](#) or the relevant [Animal Ethics Committee](#).

The complete application package must be submitted by email to Anaïs Détolle, Business Development Specialist Mitacs: [adetolle@mitacs.ca](mailto:adetolle@mitacs.ca).
